

MAN AND THE UNIVERSE

Bible Class Lecture delivered by Leader Olumba Olumba Obu

Bible Class Text: Genesis 1:1-31

In this generation, the Holy Spirit is personified. His Mission on earth is to return man to his original position in the Garden of Eden.

From the beginning of things, it was not God's intention that man should kill any animal and eat as food. From the foundation of the world, God has not decreed that man should eat meat, fish, or bird. Man was only given seeds and fruits as food. But by transcending the ancient landmark, man has now disobeyed the ordinances of God. Upon his aspiration to know all mysteries of life and to acquire all the wisdom of the world, man is still ignorant. Human beings are blind and deaf in spite of their various academic attainments and mundane discoveries.

I want to reveal to you that there is no other thing in existence apart from the word, which is God. **Genesis chapter 1:1-31** tells us that God created Heaven and Earth. He had no deputy in carrying out these activities.

ANIMALS, BIRDS, WATER, FISHES ETC., ARE ANGELS AND GODS.

He created everything in the universe; day, night, fishes, birds, animals, trees, sun, moon, stars, fruits and other things. Now that you walk on the ground what do you think the earth is made of? It is the word. Who is the word? The word is God. Therefore earth, water, sun, etc are the words which are invariably Gods. In short, God's creations are God Himself.

When you hear that God is omnipresent, it means He is in each of His creations. Hitherto, when you were not led to this wisdom of the truth, you were superstitious and call other animals, juju, identify snake as Satan, and some big trees in the forest you named totems. The likeness of God is in each of His creations. It is said man know thyself and thou shall know all things. The leaf that you pluck is spirit and since the spirit is God, the leaf is God. If you know yourself, you will never pluck the leaf of a tree. The spirit is the word and the word is life.

The creations of God had been in existence from the foundation of the world. All the images you see in the dreams represent the actual object in the terrestrial plane. When you hear that God delegated power to man, to govern and rule over other creations, it is God himself who rules through man. Man is only a figurehead. The main difference between human beings and other creations is that man is endowed with the power of reasoning while animals and others live by instincts. If God did not rule His creations through human beings, man alone would not have had the power to control animals, such as elephants, leopards, tigers, and other dangerous animals. God made man superior to other creations of His but has the same spirit of God, which is the word.

THE COMPOSITON OF MAN

The earthly 'house' that a human being dwells is made of water, blood and spirit. Water occupies about three-quarters of the human body. The three elements are one. Whenever the word becomes flesh and dwells among men, he is made of the word, Holy Spirit and the Father, and the three are one. The stones, sand, wind, fire, insects and others are all gods and have ability to talk, walk, hear, and do everything as human beings. They are spirits and all of them came by the word of God. The various roots and herbs that doctors use to prepare different concoction, little does he know the spirits involved.

MAN IS THE HOUSE OF GOD WHERE ALL WHAT WE SEE IN THE DREAM DWELLS

Some times birds, or insects fly across somebody's head and that person dies at the same time. You may in ignorance,

attribute the cause of his death to juju or that the bird was sent by another person to kill that fellow. It was not sent by anybody, birds and insects are angels of God and capable of executing punishments upon evil doers. Sometimes, you may pray over ordinary water drawn from the tap and give it to a sick person to drink and he becomes well immediately. Do you know who is in the water that heals a sick person? He is Our Lord Jesus Christ. When you walk barefoot on the ground, the vibration of the earth under your feet heals all your sicknesses and solves all your problems.

All these illustrations prove to you that God is in all things and that He is the only one existing in diverse forms. There is nothing that exists in the earth that did not first exist in the spirit world. All the designs for airplanes, cars, buildings, radios and others existed in spirit before they are manifested in the flesh. Nebuchadnezzar had a dream and saw golden images. When he woke up, he assembled all his wise men; astrologers, magicians and soothsayers but they could not give the correct interpretation of the dream. He then threatened to kill them if they fail to interpret the dream.

Daniel came up and gave the correct interpretation of the dream. The golden image is what the Roman Catholic Church worships today when the bell tolls by 6 a.m., 12 noon, and 6 p.m. and members fall down to pray and make the sign of the cross on their foreheads.

MAN

Man is the house of God and inside him you have, water, trees, fishes, fire, birds, snakes, tigers, elephants, houses, women, sun, moon, Abraham, Moses, Elijah, John the Baptist, and Our Lord Jesus Christ. All the creations of God are found inside a human being. That is why sometimes, some of those things come out of human. Therefore it is quite wrong for one to say, I do this or that, but always say we do this and that because you are a house that contains all God's creations.

LEADER O.O. OBU DOES ALL THINGS THROUGH THE SPOKEN WORDS

When you are travelling on a long journey and you are thirsty, just say within you, I want water, and the water in you will form a stream. You will not travel up to two poles before you see a body of water. That water came out of you. This is the reason when you come before me, I always tell you go, I have given you cheque, promotion, children, wife, husband, house, work, you are free from your case in the court. Go your sickness is cured. Why do you always doubt me? What ever I say must come to pass.

When Our Lord Jesus Christ was on earth in His first advent, what did he use in healing and all the mighty works He performed? It was only the spoken word. What did God use in creating the universe? The spoken word. Then why do you doubt what you see in Brotherhood of the Cross and Star where words alone are used to accomplish all mighty works which shake the world to its foundation.

THE HOLY FATHER IS OMNIPRESENT

As you sit down now, America, Britain, India, Germany and indeed, the whole world is within you. Do you have this wisdom? The whole world is in need of this revelation. As I am standing here with you in the flesh, I am also seen lavishly in flesh all over the entire world at the same time. Does this mean that I am alone? As I am lecturing you now physically, I am giving this lecture in all planes, in Hades and both the living and the dead have received this lecture equally as you have received. I am standing on the highest heaven giving this lecture to all of you. Sometimes in your dreams you see houses, motor cars lorries, fire, snakes, wind and other things, whatever you see in you dream is living inside you. You all are gods. Read St John 10:34-35.

THERE IS NO DEATH

What you call death is terminologically inexact. Nobody dies but only translated or transferred. Take for an instance, a snail that abandons its old shell and later on takes over a new shell. Another snail can occupy the abandoned shell. Therefore you cannot call an empty shell a snail, because the spirit is not there. The owner left the house and dwelt somewhere else. So it is with human beings. When the spirit moves out of the mud building, it dwells somewhere else. God is a mystery and nobody can understand the works of His creation. Man can become a fish, stone, elephant birds, tree, and later on can change to human form again. As we all are congregating here in the Bible Class, we are walking somewhere else in the flesh.

It is the Father alone who knows the secret of His Kingdom. As we are sitting down here, we all can disappear and change our form to something else. People of the world sometimes confront you with the question that your Leader does not travel outside; He is stationary. There is no need of my going out since I know that I am omnipresent. That is why you all see me in your different houses, farms, offices, physically and spiritually. Wherever Brotherhood of the Cross and Star children are, whether they are as many as the seashore, I am always before and behind all of them at the same time. I am not only

in your houses and offices and in the flesh but I dwell also inside all of you.

ANY CREATION OF GOD HAS ITS SPECIFIC ASSIGNMENT

God has a reason for creating all the things you find on earth and each of them has its duty. The leaves, roots, bark of trees, sand; water, air, soil and other things have their distinct duties. Day and night have their purposes. When a juju doctor plucks a leaf for use, does God reveal to him the duty of that leaf? (**John 3:11-12**)

When people claim that they go to the cemetery to invoke the ghost to appear, it is a lie, that spirit comes out from him. That is why when Brotherhood of the Cross and Star members come to your house to pray and call upon my name, I will come out from them in the flesh and they always see me. There is no need while praying to face the East, or West, or South or North. God is every where. The earth is His footstool and heaven is the throne of God. What type of house can you build for God? (Acts 7:47-50). Who created the night and the day? It is God. Who created the whites and the blacks? It is the same God. Why should the white influence you with their colour? Who is able among you to describe to me exactly who you are? When you prayed over some body, he is not healed it means your words have no power of healing. And if you preach to somebody and the words pierce into his heart, he will repent and give testimony of the wonderful gospel. The words that you speak are not your own, there is somebody inside you speaking through you. You are only transmitting what He says. Do you know that invisible person who speaks through you?

MAN EXISTED BEFORE THE CREATION OF THE WORLD

Man was already in existence before the foundation of this world was laid, that was why God said, "let us make man in our own image". It is only the framework that God created at the Garden of Eden but the spirit was already in existence. The only advantage human beings have over the animals is that God created them in His own image and appointed them overseers of other creations, otherwise, the trees, animals, fire, wind, birds etc would have challenged human beings. The trees, birds, water, sand, wind, insects, ground, all speak exactly like humans. They have water and blood like you. There is a certain tree you touch or try to cut down and you die at the spot because it is an Angel. Sometimes in your dreams you find your self-flying like airplane or dive inside water.

God has different forms when He comes into the earth plane. He wears a human form in the midst of men. When He is among the trees, He becomes a big tree. When He is among the fishes, He is also a fish. When He is among the flies, He is as a fly. When He goes into the world of birds, stars, leaves, roots, water, wind, grass and other creations, He becomes like one of their kind.

Many people say that Adam was God but I tell you if Adam were to be God why did he die? Brethren, God makes and unmakes, there is no person to challenge His authority. When He opens anything, there is no human or angel to close it and what He closes no one can open. He makes all things new and new things (become) old. (Romans 9:20-21). The trees and leaves have their special reasons to be used. Now if you do not know the reason and the function of a leaf or root and you make use of it, you can kill yourself. If we do not use leaves and roots for the purpose God created them, they become poisonous. The problem in the entire world and Brotherhood is ignorance of this fact.

GOD HAS NO ORIGIN

Now who can tell me the origin of God? From where did He come? The Bible says in the beginning God created heaven and earth, but does not describe the position God stood when He created all those things. Whether God is a white man, black man or woman, the Holy Bible does not tell us. (John1: 1-5). The image of God is the word. Speak to the stones, trees, flowers, grass, animals, whether they will answer you. Goats only have instincts but do not know how to receive the word of God. Because he will realize his nakedness that he has not yet started his journey along the road of practical Christianity.

When you are there in the world, you claim to know God much, but on getting here you will realize that you made a mistake. As a student goes to school every school day, so he receives lessons and becomes charged with knowledge, as you stayed away from school, so you are starved of knowledge, and knowledge is concealed from you. That is why the Ethiopian eunuch answered Philip when he asked him, "understandeth thou what thou readest?" "How can I, except some man should guide me?" you can read the Holy Scripture from Genesis to Revelation without comprehending anything, unless you are taught, you will always grope in the dark.

WHY PEOPLE ASK QUESTIONS ABOUT BROTHERHOOD

The seal has been loosened and that is what you are witnessing today. People now contend that ours is no longer the business of God. And I ask, what is it then? These things revealed to you cause people to argue that there exist some secret doctrines in Brotherhood and that Brotherhood is a secret society perpetuating mysticism. They believe that there are

other secret books in Brotherhood and that there are some underlying mysterious things in this Kingdom. They pose many questions to you: why you go about bare foot? Why you do not drink, and many other abstinence? Do you know why they are turning round to the cause of your ways of life? What did God tell Moses? He ordered Moses to take off his shoes from his feet because the place he stood was a holy place. Does it follow that they in the world have not read that portion of the scripture? He also said "they, which shall be accounted worthy to obtain that world and the resurrection from the dead, neither marry, nor are given in marriage: neither can they die any more: for they are equal unto the angels; and are the children of God, being the children of resurrection.

DO NOT DRINK

God said unto Aaron: "Do not drink wine nor strong drink, thou, nor thy sons with thee, when ye go into the tabernacle of the congregation lest ye die: it shall be a statute forever throughout your generations". You are not to drink any thing of whatever brand and that is an eternal injunction. You are instructed not to touch the dead, nor to weep when your father, mother, relatives go on transfer, nor to defile your self because you have separated your self to God. Have the inhabitants of the world realized the truth? Instead they continue raising questions to you concerning one issue or the other. They are not the chosen children of God. Therefore be not disturbed when the children of the world do not come here. Because all the children of God throughout the world hear my voice and I know them, and they follow me.

I ONLY PREACH ABOUT GOD

From January to December each year, do you hear me preach about Olumba Olumba Obu? I do not preach about man, I do not preach about angels. I do not preach about tree or money, but I preach about God, and about the word of God. Therefore the children of God hear and practice the word of God. They know precisely what really is the word of God and they follow him. And He knows them by name. God knows all the children of God. He has no dealing with the children of perdition. Thus, you should not struggle for position. Do not seek to be a prophet. Do not seek to be an evangelist. Do not wish to be a chorister. For here is not a place to fight over positions. Because everything is bestowed unto you from heaven. Wherever you find your self, God knows about it, if you are His child. But if you are not His flock, He does not know you. In this Kingdom, we have no new or old members neither are there men, women or children, but all are children of God.

THE RISE OF ANTI-CHRIST

All those who are the children of God speak nothing but the word of God. They see God and submit themselves unto God. They also serve God in various capacities. That is why the Holy Scripture has said, "it is the last time: and as ye have heard that antichrist shall come, even now are there many antichrists; where by we know that it is the last time. They went out from us, but they were not of us; for if they had been of us, they would no doubt have continued with us; but they went out, that they might be made manifest that they were not all of us".

WHAT WILL YOU PREACH TO BROTHERHOOD

When you hear that somebody has come into Brotherhood, have patience with that person because nobody comes in or go out of Brotherhood, for all are Brotherhood. Now is the era for the unfolding of the glory of Jehovah God and His Christ. That is why when one attempts to go to preach the word of God to Brotherhood members, he would be advised to retrace his steps because it is impossible to remove a Brotherhood member from this fold. For what is he going to preach to a Brotherhood member? Immediately somebody, who preaches the word of God realizes that you are a Brotherhood, he will take up his Holy Bible and go home. What can you preach to a Brotherhood?

ACCORD HONOUR TO WHOM HONOUR IS DUE

They make one sad mistake; they say you are worshipping a human being. At the same time, they profess that Brotherhood members do not accord any recognition to any person not withstanding his station in life. If it holds water that you are worshipping a human being, why have you failed to worship them? Are they not human beings? Can you see how they have implicated themselves? They say that even if one is a governor or highly esteemed person, Brotherhood members will not accord them any respect. But as for their Leader, they bow-down to worship Him. Is their Leader not human being? Are they themselves not human beings? Why have you not worshipped them?

It is this statement by Our Lord Jesus Christ, which settles the dust: "My sheep hear my voice and I know them, and they follow me." Consider the enticements given you to withdraw from Brotherhood, but all to no avail. The entire family members will meet and promise to offer you an airplane, and to do anything to you in a bid to force you to withdraw from this fold. The entire church members will come and weep over your newfound faith in Brotherhood. But with no kobo, you will laugh over the issue. You will not lend ears to such overtures because you are a sheep of God and a child of God.

THE WORLD'S INDUCEMENTS YIELD NO FRUITS

They claim that the Father is a false god. They attempt to reduce Him to nothing but to no avail. They will tell you that your sickness is still not healed and you have no child, besides, you are impoverished. On these grounds, you should decamp to their church in order to reverse the ugly trend. But all such insinuations are always dashed to the rocks.

A man will threaten his wife that if she does not deny the Father, the marriage will stand divorced and with immense joy, the woman will pack her things from his house leaving him surprised. In the office, if the appointment of Brotherhood member is terminated, he is filled with joy and will give thanks to the Father for removing him from work. People around him will be perplexed at his action. Their conclusion is always that I have bewitched you. But is their witchcraft a weak type?

LEARN FROM THE WISE MEN

Hitherto, if you had entertained any doubt in mind, know today that, "My sheep hear my voice, and I know them, and they follow me." They will inquire about all that you have into the services of God, or what have you gained from Brotherhood. Take the four wise men as a case in point. Of all what they did to Our Lord Jesus Christ, what reciprocal gesture did He do unto them? They presented those gifts to Him because they knew and followed Him. All of them worshipped God, and they were wealthy. Just on seeing the star, they came from the East and worshipped Him because they were the children of God. It is incumbent on each of you to rejoice because you have been identified as the real children of God. Do not doubt any longer if you had done so in the past. All Brotherhood, the world over are the children of God. And they are adopted children. They are not prophets, pastors or what have you but the legitimate children of God, the heirs of the Kingdom of God.

Brethren, it is said that one stroke of the cane is sufficient unto the wise. I do not want to belabor you, those who have ears, let them hear.

May God bless His Holy words.

Thank you Father.
